

RIDING RESPONSIBLY: SCOOTER + E-BIKE SAFETY TIPS

RIDE IN THE STREETS

- Use existing bike infrastructure where available
- Do not ride on sidewalks

WEAR A HELMET

- Helmets are encouraged, not required

PARK PROPERLY

- Be mindful of ADA ramps, transit stops, and available space on the sidewalk
- Use on-street mobility parking at 13th & Grand or 19th & Baltimore

SCOOTER + E-BIKE PILOT PROGRAM

[KCMO.GOV/SCOOTERS](https://kcmo.gov/scooters)

ABOUT THE PILOT

The City of Kansas City, Missouri launched the scooter and e-bike pilot as an innovative way to provide additional modes of transportation for residents and visitors while also providing data to City staff.

PILOT TIMELINE

May
2019

May
2020

PILOT PROGRAM OBJECTIVES

- 1 **STREAMLINE** the permitting and licensing process for these types of companies
- 2 **EVALUATE** operations in all seasons, as well as during special events and emergency situations
- 3 **INFLUENCE** the implementation of the new Bike Plan
- 4 **PRIORITIZE** where we need to build more infrastructure and understand the impacts of scooters and e-bikes on existing infrastructure
- 5 **ESTABLISH** a framework for rules and regulations for scooter and e-bike companies in KCMO
